To the extent that any of the following restrictions are more restrictive than any similar restrictions in the Community Declaration, the restrictions in this Supplemental Declaration shall control.

Section 4.1. Residential Use. Each Residential Site in the Sixth Subdivision shall be improved with a Dwelling Unit and used solely for one (1) Common Household Group for residential living purposes and such purposes as are customarily incident thereto, and shall not be used at any time for business, commercial, educational, church or professional activities; Provided, however, an Owner of a Residential Site in the sixth Subdivision may use his Dwelling Unit for professional or other home occupations such as the maintenance of a personal professional library, the keeping of personal business professional records or accounts, or for the handling of personal business or professional telephone calls or correspondence so long as there is external evidence thereof (such as signs advertising a business or consultation in person with clients or customers at the Residential Site), and no unreasonable inconvenience to such Owner's neighbors is created,

Section 4.2. No Hanging Articles. No clothing or household fabrics or other articles shall be hung, dried or aired on any Residential Site in the sixth Subdivision in such a way as to be visible from other Residential Sites OK from the Common Areas.

Section 4.3. No Further Subdivision. No Residential Site or Dwelling Unit thereon in the sixth subdivision may be further subdivided nor may any easement or other interest therein less than the whole (including any timeshare estate) be conveyed by the owner thereof (including the Community Association but excluding Declarant), without the prior written approval of the Architectural Committee. Nothing in this Section 4.3 shall be deemed to prevent an Owner from, or require the approval of the Architectural Committee for: (a) selling or leasing of an entire Residential Site, or (b) transferring or selling any Residential Site to more than one Person to be held by them as tenants in common, joint tenants or tenants by the entirety.

Section 4.4. View Restrictions. No vegetation, landscaping or other Improvements shall be planted, constructed or maintained by the owners upon any Residential Site in the Sixth Subdivision in such location or of such heights as to unreasonably obstruct the view from any other Residential Site or the Community Association Area in the vicinity thereof, or to create a hazardous condition for the users of the sidewalks or streets. In the event of a dispute between Owners in the Sixth Subdivision as to the obstruction of a view from a Residential Site, the Community Association Area or the creation of a hazardous condition, such dispute shall be submitted to the Board, whose decision in such matters shall be final and binding and not subject to appeal of any kind. The Board may request an Owner to remove or otherwise alter any obstruction to the view from the Community Association Area or any hazardous condition. Any such obstruction or hazardous condition shall, upon

request of the Board, be removed or otherwise altered to the satisfaction of the Board, by the Owner of the Residential Site upon which said obstruction is located at owner's sole cost; provided, however, in the event the Owner fails to remove or otherwise alter such obstruction or hazardous condition, in which event the Community Association shall remove such obstruction or hazardous condition, charging the entire cost thereof to the Owner. Each Owner shall be responsible for periodic trimming and pruning of all hedges, shrubs and trees located on the Residential Sites so as to not unreasonably obstruct the view of the view of adjacent Owners. Such costs shall be a Reimbursement Assessment and shall create a lien enforceable in the manner set forth in the Community Declaration.

Section 4.5. Landscaping. Within ninety (90) days after Recordation of a deed of a Residential site in the Sixth Subdivision to an Owner, such Owner shall install and shall thereafter maintain the landscaping on his Site in a neat and attractive condition, including all necessary landscaping and gardening to properly maintain and periodically necessary any trees, plants, grass and other vegetation which may be originally placed on such site by Declarant or required by the Architectural Committee of the Rules and Regulations. The Board may adopt Rules and Regulations proposed by the Architectural Committee to regulate landscaping permitted and required in the Residential site in the Sixth Subdivision as provided in the Community Declaration and in the Bylaws. In the event that any Owner shall fail to install and maintain landscaping in conformance with the Rules and Regulations, or shall allow his landscaping to deteriorate to a dangerous, unsafe, unsightly or unattractive condition, the Board, upon thirty (30) days prior written notice to such Owner, shall have the rights as hereinafter described. Provided, however, in the event that any Owner shall fail to now and keep trimmed and neat the lawn and grass areas on his site or otherwise permit any of said lawn and grass area to deteriorate to an unsightly or unattractive condition, the Board upon ten (10) days prior written notice to such Owner, shall have the rights as hereinafter described. The Board shall have the right, upon the appropriate above-described written notice to an Owner, either (a) to seek any remedies at law or in equity which it may have to correct such conditions, or (b) after Notice and Hearing, to enter upon such Owner's Residential Site for the purpose of correcting such condition, and such Owner shall promptly reimburse the Community Association for the costs thereof, or (c) both of the foregoing, or the foregoing, or (d) impose such fines and penalties as exist under the Rules and Regulations of the Community Association. Such cost shall be Reimbursement Assessment and shall create a lien enforceable in the manner set forth in the Community Declaration.

Section 4.6. Vehicle Restriction. No recreation vehicle, camper, camper not on a truck, boat, mobile home, horse trailer, or other trailer, tractor, motor home or truck (other than a pickup truck or van) shall be stored or shall be parked for longer than ten (10) hours anywhere within the sixth subdivision (including driveways) or on any public or private road or street in such a manner as to be visible from any other Residential Site or from any portion of the Common Area. Any such vehicle may be kept only within a garage, an enclosed or partially enclosed structure approved by the Architectural Committee or within a parking area designated by the Community Association for the storage and parking of such vehicles. No inoperable vehicle or vehicle kept stationary for a period in excess of forty-eight (48) hours shall be allowed to remain on any portion of the sixth Subdivision or on any private or public street or road in such a manner as to be visible from any Residential

Site other than the Residential Site on which such vehicle is located or from any portion of the Common Area. No vehicle, including, but not limited to, motorcycles, motorbikes, bicycles, automobiles, trucks and trailers may be kept used anywhere within the Sixth Subdivision in violation of any applicable Rules and Regulations. Such Rules and Regulations, among other things, may prohibit the keeping or use of motorcycles, motorbikes, dune buggies, golf carts or other loud or offensive vehicles, or may limit their use, and may regulate places of parking of such vehicles. Any vehicle found to be in violation of any of the provisions of this section 4.6 may be towed away by or on behalf of the community Association at the expense of the owner of such vehicle.

Section 4.7. Animals. No animals of any kind shall be raised, bred or kept in the Sixth Subdivision except hereinafter provided. A reasonable number of dogs, cats or other household pets may be kept on a Residential Site, provided that (a) they are not kept, bred or maintained for commercial purposes, (b) they do not make objectionable noises, create any odor, or otherwise constitute a nuisance to other owners, (c) they are kept within an enclosed yard on the Residential Site occupied by the Owner of such pets or on a leash being held by a Person capable of controlling the animal, and (d) they are not in violation of any other provision of the community Declaration and such limitations as may be set forth in the Rules and Regulations. A "reasonable number" as used in this Section 4.7 shall ordinarily mean no more than two (2) pets per Site; provided, however, that the Board of Directors (or the Architectural Committee of such other person as the Board may from time to time designate) may from time to time determine that a reasonable number in any instance may be more or less than two (2). The Association, acting through the Board, shall have the right to prohibit the keeping of any animal which, in the sole opinion of the Board, is not being maintained in accordance with the foregoing restrictions. Each Owner and/or Related User maintaining any animal shall be liable in accordance with the laws of the State of Texas to each and all remaining Owners and Related Users of such Owners for any damage to person or Property caused by any such animals and it shall be the absolute duty and responsibility of each such owner or Related User to clean up after such animals to the extent they have used any portion of the privately owned Site of another Owner or any Common Areas.

Section 4.8. Restriction on Exterior Lighting. Except as may be approved in advance in writing by the Architectural Committee, no exterior lighting shall be permitted anywhere within the Sixth Subdivision, including lighting to accent landscaping features, lights at entrance doors to structures, lights at entrances to property, lights along paths or driveways and lights to illuminate permitted signs, Approval shall be given only if such lights shall be of attractive design and shall be as small in size as is reasonably practical and shall be placed or located as directed or approved in writing by the Architectural Committee, and shall not allow light reflection or glare to be discernible from any place off the Residential Site where such lighting exists.

Section 4.9. Casualty Insurance for Improvements. Each Owner of a Residential site within the sixth Subdivision shall be obligated to obtain and keep in full force and effect at all times casualty insurance with respect to all insurable Improvements on the Site for the full replacement value thereof, including coverage for fire and extended coverage, vandalism and malicious mischief and, if reasonably available and if deemed appropriate by the Community Association as evidenced by resolution of the Board of Directors, flood, earthquake or war risk coverage. In the event of damage or destruction to any insured Improvements, the proceeds of such insurance shall be applied

by the owner thereof, to the extent necessary to cause the damaged or destroyed Improvement to be restored or replaced to its original condition or such other condition as may be approved in writing by the Architectural Committee or the Owner shall promptly cause the damaged or destroyed Improvement to be demolished and the Site to be suitably landscaped, subject to the approval of the Architectural Committee, so as to present a pleasing and attractive appearance, and to be well maintained, mowed, and edged to conform to occupied Residential Sites in the immediate vicinity.

Section 4.10. Solar Energy Installations. The Architectural Committee shall approve the plans and specifications for the installation of residential solar systems, provided that the Architectural Committee determines that such plans and specifications demonstrate the exercise of reasonable measures to minimize the potential adverse aesthetic impact of the installation on other portions of the Community Association Properties. Any such Architectural Committee approval shall have no effect upon the enforceability of any other use restriction in the Community Declaration or this Supplemental Declaration. The Committee shall promulgate reasonable standards and guidelines against which to examine any such plans and specifications, in accordance with Article X of the Community Declaration. Any such standards of guidelines restricting the installation or use of a solar energy system shall not significantly increase the cost of the system nor significantly decrease its efficiency.

Section 4.11. Drilling or Mining. No mineral drilling, development, refining of mining operations of any kind shall be permitted upon any Residential Site, nor shall any wells, tanks, tunnels, mineral excavations or shafts be permitted upon any Residential site. No derrick or other structure designed for use in boring for oil or natural gas shall be erected, maintained or permitted on any Residential Site.

ARTICLE V

Section 5.5. Composite Building Site. In the event that the Architectural Committee approves, in writing, the consolidation of one (1) or more adjoining Residential sites (or portions thereof) into one Residential Site, with the privilege of placing or constructing one (1) Dwelling unit on such resulting Residential Site, then the side set-back lines for such Residential Site shall be measured from the resulting side property line of Such Residential Site (other than from the set-back line indicated on the Plat or described in Section 5.4 above. The required building set-back line for the front property lines of such composite Residential sites shall remain twenty-five (25) feet. Upon receipt of written approval of the Architectural Committee to consolidate one (1) or more Residential Sites into one (1) Residential Site, such composite Residential site shall thereupon be regarded as one (1) Residential site for all purposes under this Supplemental Declaration and the community Declaration.

Section 5.6. Visual Obstruction at the Intersections of Streets. No object or thing which obstructs sight lines at elevations between two (2) feet and six (6) feet above the streets in the sixth Subdivision within the triangular area formed by the intersecting street property lines and the line connecting them at points twenty-five (25) feet from the intersection of the street lines (or extensions thereof) shall be placed, planted or permitted to remain on corner lots.

Section 5.7. Walls and Fences. No fence or wall may be built on any Residential site except as may be expressly permitted from time to time by

written approval of the Architectural Committee at its sole and absolute discretion. Provided, however, the Architectural Committee shall not permit nor approve (i) any fence or wall constructed of chain link or any other material which is not, in the sole opinion of the Architectural Committee, aesthetically compatible with structures, Fences or walls located on or adjacent to or visible from the particular Residential Site; nor (ii) any fence or wall to be located nearer to the front Property line than the front building set back line which exceeds two (2) feet in height: nor (iii) any fence or wall which, in the sole opinion of the Architectural Committee, unreasonably obstructs the adjacent property owner's visibility of the golf course area; nor (iv) any fence or wall which, in the sole opinion of the Architectural Committee, is, by design or construction, aesthetically or architecturally incompatible with any fence, wall or structure located on adjoining lots or visible from the particular Residential Site. Authorization of the construction of any one or more fences or walls pursuant to this section shall not in any way obligate the Architectural committee to authorize the construction of any other fence or wall. The Architectural Committee is hereby authorized to draft, publish and amend, from time to time, at its sole and absolute discretion, fence and wall requirements which Residential Sites located in the Sixth Subdivision. Such requirements shall in every way be consistent with the dual objectives of permitting high visibility of golf course and other Common Areas from all Residential Sites and permitting only high quality architectural construction and design.
